Welcome

_____, welcome to our practice! We are so pleased that you have chosen to include us as a part of your health care team.

Dr. Liberty Hoberman practices broad spectrum general surgery and surgical endoscopy at both Holland and Zeeland Hospitals. Dr. Hoberman has privileges at Spectrum Health and North Ottawa Community Hospital for patients that require joint procedures at those facilities.

Your appointment with Dr. Hoberman is on _____

Please mail, fax, or bring this packet with you to your upcoming appointment. Remember to bring your insurance cards, as we will need to copy them. Please also bring a list of all medications, including dosages.

Because we are not your primary care provider, please remember it is your responsibility to call your primary care physician to obtain prior authorization for referrals if this is required by your insurance carrier.

We ask that insurance co-payments be paid at the time of your appointment. If you do not know your co-payment, please call your insurance company prior to your appointment to find out what your copayment is for a “specialist office”.

We participate with many insurance plans. If you have a question regarding your specific insurance company, you may call your customer service number on the back of your insurance card prior to your appointment.

If you do not carry insurance, we will be happy to discuss a financial arrangement with you and establish a payment plan for the cost of your care. Please call us *prior* to your appointment to let us know if this will be necessary.

Please let us know if you will need special forms (FMLA or disability) filed before your surgery as there is a small fee associated with those forms.
